

Product and safety information

for puppet theatres

in accordance with the EU General Product Safety Regulation (GPSR)

Intended use

This puppet theatre is intended as a textile accessory for role play and decorative use in a child's room. Use it only with the intended fastening and ensure safe use according to the child's age and development.

Warnings

01 WARNING – Use only under supervision

Children should use the puppet theatre only with age-appropriate supervision, especially when it is hung, fastened or attached to furniture.

02 WARNING – Secure fastening is required

Attach the puppet theatre only to suitable and stable fastening points. Regularly check that holders, straps, loops or other fastenings are secure.

03 WARNING – Risk of strangulation and entanglement

Straps, cords, loops or long fabric parts must not be attached in a way that children can become entangled or strangled.

04 WARNING – Do not climb or hang on it

The puppet theatre is not a climbing aid. Children must not pull on it, hang from it, pull themselves up on it or climb on it.

05 WARNING – Keep the surroundings safe

Ensure that the puppet theatre does not block access, visibility or other safety-related areas and does not create tripping or pulling hazards.

06 WARNING – Check before use

Check the product regularly for damaged seams, tears, loose straps, defective fastenings or other defects. Do not use it if damaged.

07 WARNING – Keep away from fire and heat sources

Keep the puppet theatre away from open flames, candles, lamps, radiant heaters, stoves and other strong heat sources.

Care instructions

Clean and care for the puppet theatre according to the care label or product description. Use it again only when completely dry, undamaged and securely fastened.
