

Product and safety information

for rounded wall panels

in accordance with the EU General Product Safety Regulation (GPSR)

Intended use

This wall panel is intended for decorative use and as a soft indoor wall covering. It may only be installed on suitable, load-bearing and clean wall surfaces in accordance with the installation instructions.

Warnings

01 WARNING – Secure installation required

Install the wall panel only in accordance with the installation instructions. Incorrect fixing may cause the panel to loosen or fall down.

02 WARNING – Check the surface

The surface must be clean, dry, load-bearing and suitable for the chosen fixing method.

03 WARNING – Not for climbing or holding

Children must not pull on, climb on or hold onto the panel.

04 WARNING – Do not use damaged parts

Do not use the product if the fabric, padding, adhesive surface or fixing is damaged.

05 WARNING – Keep away from heat sources

Keep the wall panel away from open flames, radiant heaters and other strong heat sources.

Care instructions

Clean the surface carefully with a dry or slightly damp cloth. Do not use aggressive cleaning agents. Regularly check that the panel is securely attached.
