

Product and safety information

for covers for foam rollers

in accordance with the EU General Product Safety Regulation (GPSR)

Intended use

This cover is intended exclusively as a textile cover for suitable cylindrical foam or fascia rollers. Use the cover only in the correct size and not as a sleeping product, toy or unattended baby/child surface.

Warnings

01 WARNING – Not a sleeping product

The cover is not intended as a pillow, mattress or sleeping surface for babies or children.

02 WARNING – Avoid suffocation hazards

Keep loose textiles, packaging material and removable parts away from babies and small children.

03 WARNING – Use only when properly fitted

Use the cover only on a suitable roller. A cover that is too loose may slip or form folds.

04 WARNING – Check zipper and seams

Regularly check the zipper, seams and fabric for damage. Do not continue using the product if damaged.

05 WARNING – Keep away from heat sources

Keep the cover away from open flames, radiant heaters and other strong heat sources.

Care instructions

Please follow the care label on the product. Wash the cover only according to the stated care instructions and allow it to dry completely before reuse.
